Cardholder’s Agreement for Electronic Banking Services Available through Your Card

You agree that this agreement governs your Card services.

You agree that we may debit and credit the deposit and line of credit accounts associated with your electronic banking service in accordance with the instructions you give:

- by using the Card and your corresponding PIN at automated teller machines and point-of-sale terminals (except for line of credit accounts); and
- by using your Card without your PIN for point-of-sale transactions with merchants that accept debit MasterCard® transactions (applicable only if you have a BNY Mellon Check Card).

You agree that we may treat the instructions that you give in these ways as if they were written orders bearing your genuine signature.

Using your Card and PIN

In order to assist us in maintaining the security of your accounts, the ATM Card and the BNY Mellon Check Card remain our property and may be revoked or canceled at any time without giving you prior notice. You agree not to use your ATM Card or BNY Mellon Check Card for a transaction that would cause your account balance to go below zero, or to access an account that is no longer available or lacks sufficient funds to complete the transaction or for any illegal transactions, including Internet gambling or similar activities. You agree not to use your ATM Card or BNY Mellon Check Card for a transaction that would exceed your account balance plus the available credit on any credit line attached to your account. We will not be required to complete any such transaction, but if we do, we may, at our sole discretion, charge or credit the transaction to another account, and you do agree to pay us the amount of the improper withdrawal or transfer upon request.

Your ATM card may only be used with your PIN. Certain transactions involving your BNY Mellon Check Card require use of your PIN. Your PIN is used to identify you as an authorized user. Because the PIN is used for identification purposes, you agree to notify the Bank immediately if your ATM Card or BNY Mellon Check Card is lost or if the secrecy of your PIN is compromised. You also agree not to reveal your PIN to any person not authorized by you to use your ATM Card or BNY Mellon Check Card or to write your PIN on your ATM Card or BNY Mellon Check Card or on any other item kept with you. We have the right to refuse a transaction on your accounts when your ATM Card or BNY Mellon Check Card or PIN has been reported lost or stolen or when we reasonably believe there is unusual activity on your account.

The security of your account(s) depends upon your maintaining possession of your ATM Card or BNY Mellon Check Card and the secrecy of your PIN. You are strongly encouraged to change your PIN if you feel that the secrecy of your PIN may have been compromised.

Affected Accounts

Any account that meets the criteria listed in this section is a “linked account.” Linked account for purposes of an ATM card or a BNY Mellon Check Card means any deposit account or line of credit on which you are listed as an individual or joint account holder and you request at the time you establish the account to have access to the account through your ATM card or BNY Mellon Check Card. Linked accounts for purposes of online banking services through Private Workbench, Mobile Private Workbench Banking Solutions and Telephone Banking are any deposit account, other than the Checking Account associated with the Cash Management Access Account (“CMAA”), on which you are listed as an individual or joint account holder. You also agree that line of credit accounts will also be subject to this agreement and the transactions it describes, if you have designated a primary line of credit account through Telephone Banking or Private Workbench. You cannot pay bills using a line of credit account. You agree that this agreement will apply to deposit accounts and line of credit accounts that you have with us now and in the future.

Types of Available Transactions and Limits on Transactions at ATMs

You may be able to use your Card at automated teller machines owned by other organizations. Available services may differ and other restrictions may apply at those machines. Other institutions and ATM networks may charge you a fee for electronic funds transfers and balance inquiries.

Where available, you may conduct the following electronic funds transfers with the accounts designated for your Card.

- Withdraw cash;
- Make deposits at specified ATMs;
- Transfer funds;
- Balance inquiries;
- Make point-of-sale purchases (e.g., postage stamps) at specified machines (Such purchases will be considered point-of-sale transactions subject to the rules and limits set forth in this disclosure for point-of-sale transactions.)

Your Card is designed to allow you to access multiple checking and savings accounts at certain ATMs. ATMs bearing the StarSM logo may permit you access to up to three checking and three savings accounts.

If you use your Card to request a withdrawal at an ATM that does not permit you to specify the type of account from which the withdrawal is to be made, we will make the withdrawal from the primary checking account linked to your Card. If you do not have a Primary checking account linked to your Card, we will make the withdrawal from the primary savings account linked to your Card.

The standard daily ATM withdrawal limit is \$1,010. If you have requested and received a non-standard ATM withdrawal limit, your limit may be different. You can ask that daily withdrawals at an ATM be limited to no more than \$50. You may request the \$50 daily withdrawal limit when you apply for a card or at any time thereafter by writing to us at the address listed for Unauthorized Transactions or by visiting the address printed on you periodic statement. Any documentation provided to you which indicated that an electronic fund transfer was made to another person shall be admissible as evidence of such transfer and shall constitute prima facie proof that such transfer was made.

You may use your Card at an ATM to transfer up to \$99,999.99 per transfer between your linked accounts. Deposits and transfers made at an ATM after the deposit deadline may not be posted to your accounts until the next Business Day.

Point-Of-Sale

You may also use your Card to pay for purchases (including “cash back” transactions in which a merchant distributes cash to you) directly from your Card’s designated primary checking account (except a money market account) at

businesses that honor your Card through a point-of-sale transfer service. Normally, you may use your Card for point-of-sale transactions for up to \$5,010 each day unless you have requested and received a non-standard limit.

You agree to settle all disputes regarding the goods or services that you purchased with the Card with the merchant who honored the Card.

Foreign Currency Transactions

If you use your Card to make a point-of-sale purchase or an ATM withdrawal in a foreign currency, MasterCard® will convert the transaction to U.S. currency using its currency conversion procedure. You will be subject to a MasterCard Issuer Cross-border Assessment and a MasterCard Currency Conversion Assessment, currently the two assessments in aggregate total 1% of your transaction amount for transactions conducted in a foreign currency. The charge of the Cross-border Assessment is predicated on the location of the merchant or ATM/POS machine, if either are not located in the United States of America, regardless of the currency, you will be charged a MasterCard Cross-border Assessment. Please see the Cash Management Access Account Price Schedule or the Consumer Price Schedule for more information.

Daily Limits

The Automated Teller Machine and Point-of-Sale sections describe daily limits on transactions. The “day” used to calculate these limits runs from midnight of each day to midnight of the next day. A BNY Mellon Check Card point-of-sale transaction may not be deducted from your account balance on the date that it occurs; however, the transaction date is used to determine whether the point-of-sale daily limit has been reached.

DIGITAL WALLET AUTHORIZATION TERMS OF USE

Authorization and Acceptance

These Digital Wallet Authorization Terms of Use (the “Agreement”) apply when you choose to add and use an eligible BNY Mellon issued check or debit card (each a “BNY Mellon Card”) to a third party mobile payment system (each a “Digital Wallet”). In this Agreement, “you” and “your” refer to the authorized cardholder of the Card. “We,” “us” and “BNY Mellon” refer to BNY Mellon, National Association, the issuer of the Card. The defined terms within this Agreement only apply to this Agreement and do not apply to the other sections of the Electronic Banking Services disclosure.

Please read this Agreement carefully before adding your Card to a Digital Wallet. By adding your Card to a Digital Wallet you agree to be bound by this Agreement. If you do not agree to this Agreement you should not add your Card to a Digital Wallet. The continued inclusion of your Card in the Digital Wallet is conditioned on your compliance with this Agreement and failure to comply may result in termination of your eligibility to include and use the Card in a Digital Wallet. We reserve the right, subject to applicable law, to change this Agreement, in whole or in part, at any time.

Using a Digital Wallet: A Digital Wallet enables you to use your Card and an eligible mobile device, as determined by the Digital Wallet provider, to make purchases of goods and services. When you enroll your Card with the Digital Wallet, your Card information is converted to a device-only account number and stored on your mobile device. The device-only account number may be used to pay for goods and services at participating merchants that accept the Digital Wallet. By enrolling your Card with the Digital Wallet and following instructions provided by the provider of the Digital Wallet, you are authorizing payment from your Card for the purchase of goods or services. The Digital Wallet may not be accepted at all places where your Card is accepted. Any applicable interest, fees and other charges that apply to your Card or the underlying account will also apply when you use your Card within the Digital Wallet to make purchases.

Existing BNY Mellon Agreements: The terms and conditions of any agreement with BNY Mellon governing the issuance and use of your Card and any underlying account, including the Electronic Banking Services Disclosures and Agreement, are still valid and not affected by you adding the Card to a Digital Wallet. For the avoidance of doubt, any transaction you make with a Card through a Digital Wallet will be governed by the same terms and conditions as if you had used the Card in person.

BNY Mellon is not Responsible for the Digital Wallet: BNY Mellon does not own or operate the Digital Wallet and is not responsible for any information or services provided by the owner or developer of the Digital Wallet, your wireless service provider, your mobile device company, or any other third parties associated with the Digital Wallet. We are not responsible for the performance or failure of the Digital Wallet or of any transaction made using the Digital Wallet. We are only responsible for providing information to the provider of the Digital Wallet, at your request, in order to allow you to add and use your Card within the Digital Wallet.

Eligibility: BNY Mellon may choose, in its sole discretion, which Cards are eligible to be added to a Digital Wallet. If eligible, the Card and underlying account must be in good standing to be added to a Digital Wallet. BNY Mellon may, at any time and in its sole discretion, revoke the eligibility of any Card from being included in a Digital Wallet. If required by law, we will provide you notice of same. You agree that BNY Mellon shall not be liable to you or any third party for any such termination or revocation of eligibility of any Card to be added to and used in a Digital Wallet.

Security; Lost or Stolen Mobile Device: You are solely responsible for maintaining the security and confidentiality of the authentication methods (passwords, PINS, or other security mechanisms) used to access your Digital Wallet and mobile device. If you share these credentials with others they may be able to access your Digital Wallet and make purchases for which you will be responsible. If your eligible mobile device is lost or stolen, your Digital Wallet authentication method) is compromised, or if your Card has been used without your permission, you must notify us immediately. If you fail to notify us immediately, you may be liable for part or all of the losses in connection with any unauthorized use of your Card.

Indemnification: You agree to defend and hold BNY Mellon, and its affiliates, employees, directors, officers, agents and representatives (collectively “Indemnified Parties”), harmless from and against any and all losses, liabilities, damages, claims, allegations, civil actions, regulatory actions, and all related costs and expenses (including reasonable legal fees and disbursements and costs of investigation, litigation, settlement, judgment, and interest charges) that arise out of or are related to (i) your breach of this Agreement; (ii) a breach of any applicable law by you, a Digital Wallet provider, or any third party associated with a Digital Wallet provider; (iii) negligence or willful misconduct by you, a Digital Wallet provider, or any third party associated with a Digital Wallet provider; and/or (iv) a breach by you, a Digital Wallet provider, or any third party associated with a Digital Wallet provider of any terms of use or other agreement pertaining to use of a Digital Wallet.

Fees and Charges: BNY Mellon does not currently impose a fee and/or charge for adding and using your Card within a Digital Wallet. However, the provider of the Digital Wallet and/or your wireless service provider may impose certain charges or other fees for use of the Digital Wallet and/or data usage. You are solely responsible for any such charges or fees.

Third Party Agreements: You understand that your use of a Digital Wallet will be subject to the terms, conditions, agreements and policies of the Digital Wallet Provider, your wireless service provider, your mobile device provider, and other third parties.

Electronic Communication: You consent to receive electronic communications, disclosures, and notices from us in connection with your Card and its use within a Digital Wallet. You agree that we may contact you by email or postal mail at any address you provided to us in connection with your Card or underlying account. You agree to update your contact information when it changes.

Privacy: BNY Mellon's use of personally identifiable information collected in connection with the Card and your use of a Digital Wallet is governed by BNY Mellon's Privacy Policy, located at <https://www.bnymellonwealth.com/privacy.jsp>. To the extent that you submit any personally identifiable information to a Digital Wallet provider or any other third party in connection with your use of a Digital Wallet, such third party's collection, use and disclosure of such information will be governed by its own privacy policy and not BNY Mellon's Privacy Policy, and we are not responsible for the information practices of any third parties. By adding your Card to a Digital Wallet you authorize us to share your information with the provider of the Digital Wallet, payment networks and any other third parties in order to process your transactions and provide the services you request.

Risk of Loss: In the event of a system failure or interruption of the Digital Wallet, your wireless provider or other third party service, your data may be lost or destroyed. You assume the responsibility to verify the accuracy and completeness of any transaction affected by the system failure or interruptions through means other than the Digital Wallet. We will not be liable for failure to provide access to or for interruptions in access to the Digital Wallet due to a system failure or due to other acts or circumstances beyond our control and you hereby expressly assume such risks. BNY Mellon is not responsible for any delay, error, problem, damages or other loss you may suffer due to malfunction or misapplication of your mobile device, your wireless service provider or other third party services that result in lack of access to the Digital Wallet and you hereby expressly assume such risk.

Governing Law and Disputes: This Agreement, as well as any dispute or claim with BNY Mellon relating to this Agreement, are governed by the Electronic Banking Services Disclosures and Agreement.

Limitation of BNY Mellon's Liability and No Warranties: IN NO EVENT SHALL BNY MELLON BE RESPONSIBLE FOR ANY LOSS, DAMAGE OR INJURY OR FOR ANY DIRECT, INDIRECT, SPECIAL, INCIDENTAL, PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES, INCLUDING LOST PROFITS, LOSS OR INTERRUPTION OF BUSINESS, LOSS OF USE, LOSS OF DATA, LOSS OF OTHER INTANGIBLES, LOSS OF SECURITY OF INFORMATION YOU PROVIDED ARISING FROM OR RELATED TO YOUR USE OF A DIGITAL WALLET; THE EQUIPMENT AND/OR THE INSTALLATION OR MAINTENANCE THEREOF TO ACCESS THE DIGITAL WALLET; FAILURE OF ELECTRONIC OR MECHANICAL EQUIPMENT OR COMMUNICATION LINES; INCOMPATIBILITY OF HARDWARE OR SOFTWARE, FAILURE OR UNAVAILABILITY OF INTERNET ACCESS; PROBLEMS WITH INTERNET SERVICE PROVIDERS AND WIRELESS CARRIERS; PROBLEMS OR DELAYS WITH INTERMEDIATE COMPUTER OR COMMUNICATIONS NETWORKS OR FACILITIES PROBLEMS WITH DATA TRANSMISSION FACILITIES; OR ANY OTHER PROBLEMS YOU EXPERIENCE DUE TO CAUSES BEYOND OUR CONTROL.

We do support External Transfers to/from regular money market deposit accounts. You are generally limited to 3 External Transfers per day and 15 External Transfers per month. However, transfers from savings and money market accounts are further limited by applicable federal law as stated in your account rules. Additionally, no single External Transfer can exceed \$100,000.00 and the total amount of all External Transfers that you make on any given Business Day cannot exceed \$100,000.00.

External Transfers are not available through our Mobile Private Workbench Banking Solutions.

People Pay Agreement for Transactions through Private Workbench

Affected Accounts

Any consumer deposit account, other than a Certificate of Deposit, is permitted to be used as an “Eligible Account” if you are listed as an individual or joint account holder on the account and access to the account is not otherwise limited or prohibited.

Establishment of Service

You agree that this agreement governs your People Pay services.

You can access our People Pay services through the Private Workbench Website by requesting the ability to directly make a one-time payment to an individual’s deposit account at another financial institution or to make a one-time credit to an individual’s Pay Pal Account. Upon your request to use the People Pay service, you agree to the People Pay provisions of this Agreement set forth below. You must be enrolled in banking services through our Private Workbench Website and have at least one Eligible Account with us to use our People Pay services through Private Workbench Website. To use People Pay services, you must provide certain information about the individual to whom you are requesting the payment be made, including, but not limited to, name, bank routing number, bank account number, account type, and mobile telephone number or email address (“Contact”). You may only add Contacts to our People Pay service via the Private Workbench Website.

You are responsible for providing correct and accurate information necessary to process a payment and any errors in the information you provide when setting up a Contact on Private Workbench, including but not limited to, incorrect Contact name, e-mail address, mobile telephone number, bank account number or bank routing number may cause the misdirection of your payment or payment failure. The financial institution receiving a deposit to a bank account payment for a Contact may execute on such instructions by reference to only the account number and it has no duty to research any discrepancies between names and accounts numbers. We have no ability or responsibility to research any discrepancies between names and account numbers.

You agree that any payment that you make will be charged to the Eligible Account designated for People Pay unless you instruct us to charge another Eligible Account. A Payment will not be made if your Eligible Account does not have sufficient funds to cover the payment request.

CMAA clients do not need access to additional banking services through Private Workbench to use People Pay services through the Private Workbench Website.

You may only transmit payments to banks or PayPal located in the United States or U. S. Foreign Territories. Payments may only be made in United States denominations. We reserve the right to refuse to pay certain payees and to refuse to honor payment requests that appear to us to be fraudulent or erroneous.

You can request payments to be made to your Contact in two ways:

1. Deposit to Contact’s Bank Account

You agree we may execute your payment request by the method of our choice. You may not modify or cancel this payment after you authorize it. The amount of the payment will be deducted from your Eligible Account on the Business Day we receive your payment request and should be credited to your Contact’s deposit account within one to three (1 – 3) Business Days after the payment is sent.

2. Credit to Contact’s PayPal Account

Credit to a PayPal account is dependent upon whether you have supplied the Contact’s email address with PayPal. If you provide the e-mail address associated with the Contact's PayPal account, we will debit your Eligible Account on the Business Day we receive your payment request. You may not modify or cancel this

payment after you authorize it. Your Contact will receive an e-mail or text messaging informing the Contact that a payment has been directed to the Contact along with instructions on how to access the payment. If the Contact does not have a PayPal account or you do not know the email address associated with the Contact at PayPal, we will debit your Eligible Account on the Business Day we receive your payment request. PayPal will hold the payment until the Contact registers with PayPal. If the Contact does not open a PayPal account, the PayPal payment must expire prior to PayPal refunding the funds to be credited back to your Eligible Account; PayPal should be contacted for expiration periods.

Daily Limits

There is no limit on the number of People Pay payments you can request, but no single payment can exceed \$750.00 and the total amount of all payments that you make on any given Business Day cannot exceed \$1,500 to all banks and \$1,500 to PayPal.

Cutoff Times

In order for a payment instruction to be considered received by us, it must be received before 9 p.m. ET. Payment instructions received after 9 p.m. ET on a Business Day or on a day that is not a Business Day will be considered received on the next Business Day.

Delay or Non-Execution of Payment Request

We may not execute your payment request if your Eligible Account has insufficient funds, if your payment request amount exceeds the Payment Limits, or if your payment request is incomplete or unclear. You agree that we shall not be responsible for any delay, failure to execute, or misdirection of your payment request due to circumstances beyond our reasonable control; including, without limitation, any inaccuracy, interruption, delay in processing, or failure in the means of processing the payment request to the bank or PayPal or execution of such payment by the bank or PayPal, whether caused by strikes, power failures, equipment malfunctions, fire, flood, war or civil insurrection.

Online Bill Paying Transactions Through Private Workbench

You can access our online Bill Paying services through the Private Workbench Website and our Mobile Private Workbench Banking Solutions by requesting the ability to transmit funds to 1 or more payee(s). You can make this request by phone, in writing or by personal computer and Internet connection. Upon your request to establish merchants for online Bill Paying services, you agree to the online Bill Paying services provisions of this Agreement set forth below. You must be enrolled in banking services through our Private Workbench Website and have at least one consumer checking account with us to use our online Bill Paying services through either the Private Workbench Website or our Mobile Private Workbench Banking Solutions. You may only add payees/merchants to our online Bill Paying services via the Private Workbench Website. CMAA clients do not need access to additional banking services through Private Workbench to enroll in online Bill Paying services through the Private Workbench Website. CMAA clients do not have access to our online Bill Paying services via our Mobile Private Workbench Banking Solutions.

You agree that any payment that you make will be charged to the primary checking account designated for Bill Paying unless you instruct us to charge another eligible linked account. For online Bill Paying, payments not previously scheduled will be sent to the payee on the business day after the business day on which we receive your instruction to pay. Automatic bill payments that have been arranged with us in advance will be sent to the payee on the day you have scheduled them to be sent. Payments initiated or scheduled on days that are not business days will require one additional business day for processing. Although payments will be disbursed promptly, we cannot and do not guarantee prompt receipt by payees of payments and/or credit advices sent through the mail. You agree that we have no responsibility or liability for any damages, expenses, charges or liabilities that you may incur as a result of any failure or delay on the part of the U. S. Postal Service in delivering any payment or on the part of any payee in crediting any payment. You agree that we have no responsibility or liability for any act or omission beyond that which is imposed on us by law. Online Bill Paying payments will be deducted from your account two days after the day on which you have them scheduled to be sent.

If a bill payment you make is returned for insufficient funds, we will block further payments from your overdrawn online Bill Paying linked accounts for up to five (5) business days, following your correction of the overdraft status of the account.

There is no limit on the number of bills you can pay, but no single bill payment can exceed \$50,000.00 and the total amount of all bill payments that you make on any given Business Day cannot exceed \$100,000.00. To prevent duplicate payments, you cannot make two payments to the same payee in the same amount on the same Business Day. If you request, and we agree, we may assign customized bill payment limits.

You may only transmit payments to payees with United States addresses, U. S. Foreign Territories, or overseas U. S. Military Establishments. We reserve the right to refuse to pay certain payees and to refuse to honor payment requests that appear to us to be fraudulent or erroneous.

To authorize an Automatic Recurring Payment, we recommend that you use a printer or other means to obtain a printed copy of your authorization for your records. If you do not have a printer, consider authorizing the payment on a payment-by-payment basis until you have sent us a written authorization to make the payment on an automatically recurring basis. Call or write us at the phone number or address listed on the last page of the Electronic Banking Services Disclosure and Agreement section of this document if you need a written authorization form.

This service is provided to you by the Bank and powered by a Third Party (the “Licensor”) mobile technology solution. Section A below is a legal agreement between you and the Bank, that supplements the terms of (a) all related Banking Account agreements, and (b) all related disclosures, including but not limited to the consumer Privacy Policy and Online Privacy (the agreements and disclosures described in (a) and (b) are sometimes referred to in this Agreement as the “Banking Account agreements”). The application is provided by a third party service provider and once downloaded onto your supported Mobile Device and running will allow you to directly access your Banking Accounts through your supported Mobile Device. The application, currently, will permit you to view account balances, pay bills to pre-established payees/merchants and make certain internal transfers.
2. Mobile Optimized Website: Allows you to access your Banking Accounts using your supported Mobile Device, mobile web browser and Internet connection. The Mobile Optimized Website will permit you to view account balances, pay bills to pre-established payees/merchants and make certain internal transfers.

You can select which alerts you wish to receive through Private Workbench Website only. You have the option to have these alerts sent to you by e-mail or SMS text messaging. If you chose to receive these alerts by SMS text messaging and elect a number of alert options, you may receive up to 90 SMS text messages a day. **One text message per query.** You can stop the receipt of alerts by SMS text messaging by sending **STOP** to 322654 or through the Private Workbench Website.

You must provide source indication in any messages you send (e.g., mobile telephone number, "From" field in text message, etc.). Text messages sent by you may not be immediately received by the Bank. Remote Check Deposit Service

Currently, Remote Check Deposit Service is only available to clients who have downloaded the mobile banking application for an Apple® iPhone®. (Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries.) or the mobile banking application for Android™ (Android is a trademark of Google Inc.).

Remote Check Deposit Service enables you to submit, for deposit to your account(s), electronic check images and associated documentation and information in lieu of depositing the original check from which such images are obtained. You acknowledge and agree that Remote Check Deposit Service may not be used for any check that does contain valid MICR data printed on the original check with magnetic ink character recognition.

You shall submit electronic check images and data to the Bank in such format, and with such associated check information, as the Bank may require from time to time as set forth in the application. You must endorse the back of each check in the appropriate space before you submit the check for deposit via the Remote Check Deposit Service. You are solely responsible for selecting the appropriate account to receive credit, entering all amounts and any other required information correctly, checking such amounts and other information for accuracy, and inspecting all images and data prior to transmitting to the Bank to ensure electronic image and data quality.

Electronic check images and data will be deemed to have been accepted by the Bank on the date that our systems receives the electronic check images and data and you have been sent an email approving the deposit. The Bank reserves the right to reject any electronic check image for any reason, before and/or after approval.

Electronic check images for deposit received by the Bank by 4:00 p.m. Eastern Time on a Business day shall be processed if approved as of the same Business day. Electronic check images for deposit received by the Bank on other than a Business day or after 4:00 p.m. Eastern Time on a Business day shall be processed if approved on the next Business day. For purposes of the Bank's Funds Availability Policy (as in effect from time to time), the day of deposit for an approved electronic check image is the Business day as of which we process the approved electronic check image.

Remote Check Deposit Service may not be used for any check that is in an amount greater than \$100,000. You may use the Remote Check Deposit Service to deposit an unlimited number of checks per Business day; however, the total deposit amount per account is limited to \$100,000 per Business day. Further, the total deposit amount for the Remote Check Deposit Service is limited to \$250,000 per account in any five consecutive Business days.

Upon presentation of an electronic check image for deposit to the Bank, you represent and warrant the following:

- The image and data contain an accurate representation of all information on the front and back of the original check at the time such check was transformed into an electronic check image and all endorsements that were collected on the original check up until the time the original check was converted into an electronic check image;
- Once you have transmitted an electronic check image for deposit to the Bank, neither the original paper check nor any physical copy of the original check will be presented for payment against the maker of the check and no person or institution shall be asked to make payment on such check; and
- Additionally, you make any and all additional warranties that the Bank must make under applicable law and regulation in order to process the electronic check image for collection.

The Bank recommends that you retain the original check for a period of time to allow the electronic image of the check or any substitute check produced there from to be presented for payment and either paid or returned by the payor bank.

Like other services available with Mobile Private Workbench Banking Solutions, the Remote Check Deposit Service may be unavailable, delayed, interrupted or disrupted for an indeterminate amount of time due to conditions beyond the Bank's control. You may deposit checks alternatively via ATMs that accept deposits, by placing such deposits in the mail or visiting one of our offices.

General

Other Agreements

You agree that electronic banking services you use remain subject to all other rules and regulations governing your accounts, and to any other agreements you have with us. You may not request transfers or payments from any account that requires two or more signatures. You agree not to change any linked account documentation to require two or more signatures until you first notify us to terminate your electronic access to such linked account. No such change will be effective as to your electronic banking service until we receive the notice and have an opportunity to act.

Records and Effectiveness

Our records regarding your electronic banking services, your instructions to us with respect to them and the services you have agreed to are conclusive, except as otherwise provided by law. You agree that instructions you give us for electronic banking services may be treated as if they were written orders bearing your written signature.

Available Funds

If you instruct us to make a payment or transfer exceeding the available funds in an account, you agree to pay the associated fees as if a check in the same account had been presented to be paid from the account, regardless of whether we make the payment or transfer. We may refuse to make any payment or transfer that would exceed the balance of available funds in the account from which the payment or transfer is requested.

Changes and Termination

You agree that we may add or discontinue services and fees for services and make other changes to the agreements contained in this Disclosure by sending written notice to your address then shown in our records. We will follow any legal requirements applying to these notices.

We may also terminate these agreements and your ability to use the Card or other electronic banking service(s) without notice to you if you do not use the Card or electronic banking service(s) for more than six months.

Telephone Number and Address for Notification in Event of Unauthorized Transactions

If you believe your Card, Telephone Banking, or Private Workbench, Username/User ID(s), VRU Access Number(s), PIN(s), password(s), Mobile Device or other access devices have been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call or write us. We strongly urge you to telephone us immediately if you suspect your accounts or access devices have been compromised. The address and telephone number are listed on the last page of the Electronic Banking Services Disclosure and Agreement section of this document.

You may call, write or visit the office at which one of your accounts is located for reporting unauthorized transactions, and lost or stolen Cards, Telephone Banking or Private Workbench, Username/User ID(s), VRU Access Number(s), PIN(s), password(s), Mobile Device and other access devices.

Account Information

Account balance figures and other account information received through our electronic banking services may not reflect recent transactions and may include funds that are not available for immediate withdrawal.

Fees

We may impose fees for electronic banking services in the future. If we do, we will give you any notice required by law. When you use an ATM, you may be charged a fee by the ATM operator or any network used and you may be charged a fee for a balance inquiry even if you do not complete a funds transfer.

E-Mail

E-mail sent by you will not be immediately received by us. If you need to contact us immediately (for example, to report that the secrecy of your PIN has been jeopardized or to stop payment on a check), do not use e-mail. Call us instead at the number listed on the on the last page of the Electronic Banking Services Disclosure and Agreement section of this document. No action will be made on your e-mail until it is actually read by us and we have an opportunity to act.

Authorizing Others to Access Your Accounts

We urge you to think twice before you let someone else use one of your electronic banking services access devices (such as your Card, Telephone Banking or Private Workbench Username/User ID(s), VRU Access Number(s), PIN(s), password(s) and other access devices. When you have authorized another person (for example, an individual or a company providing account aggregation services over the Internet) to use your access device, you are responsible for any transfers that person makes. This includes transfers of money from your accounts unless you have told us that transfers by that person are no longer authorized and we have an appropriate amount of time to act in order to stop any such transfers.

Security

Please keep your Username/User ID(s), VRU Access Number(s), password(s) and PIN(s) confidential (in a secure location, separate from account numbers, Software, etc.) to prevent unauthorized access and use of your linked accounts and electronic banking services. We can revoke or cancel your Username/User ID(s), VRU Access Number(s), password(s) or PIN(s) at any time, without giving you prior notice, to help us maintain the security of your accounts. If anyone repeatedly tries to use an incorrect Username/User ID, VRU Access Number, password or PIN to conduct any electronic banking services from your accounts, we may prevent further use of your Username/User ID(s), VRU Access Number(s), password(s) or PIN(s). Also, if we suspect unauthorized use of your Card or your electronic banking services, we may temporarily prevent further use of your Username/User ID(s), VRU Access Number(s), password(s) and PIN(s).

Notice of ATM Safety Precaution

SAFETY PRECAUTIONS FOR ATM TERMINAL USAGE. Please keep in mind the following basic safety tips whenever you use an ATM:

- Have your BNY Mellon ATM Card or BNY Mellon Check Card ready to use when you reach the ATM. Have all of your forms ready before you get to the machine. Keep some extra forms at home for this purpose.
- If you are new to ATM usage, use machines close to or inside a financial institution until you become comfortable and can conduct your usage quickly.
- If using an ATM in an isolated area, take someone else with you if possible. Have them watch from the car as you conduct your transaction.
- Do not use ATMs at night unless the area and machine are well-lighted. If the lights are out, go to a different location.
- If someone else is using the machine you want to use, stand back or stay in your car until the machine is free. Watch out for suspicious people lurking around the ATMs, especially during the times that few people are around.
- When using the machine, stand so you block anyone else's view from behind.
- If anything suspicious occurs when you are using a machine, cancel what you are doing and leave immediately. If going to your car, lock your doors.
- Do not stand at the ATM counting cash. Check that you received the right amount later in a secure place, and reconcile it to your receipt then.
- Keep your receipts and verify transactions on your account statement. Report errors immediately. Do not leave receipts at an ATM location.

Data Recording

The information, SMS Text Messages and e-mail messages you enter through Telephone Banking, Private Workbench, Mobile Private Workbench Banking Solutions or Online Banking with Quicken® (including Bill Paying) may be recorded. By using those electronic banking services, you consent to the recording of this data.

Account Information to Third Parties

We will disclose information to third parties about your account or the transactions you make:

- Where it is necessary for completing transactions.
- In order to verify the existence and condition of your account or our experience with your management of the account for a third party, such as a credit bureau or merchant.
- In order to comply with government agency or court orders.
- If you give us your written permission. Through your account agreements with us, you may have already given us your written permission to share information about your accounts with others.

Right to Receive Documentation of Transactions

You can get a receipt at ATMs and point-of-sale machines for any withdrawals, deposits, transfers, payments, balance inquiries or point-of-sale purchases. However, you may have the option at an ATM to elect to not receive a receipt and a Merchant is not required to provide a receipt on any POS transaction equal to or less than \$15.00.

If you have arranged to have a direct deposit made to your account at least once every 60 days from the same person or company, you can call us to find out whether or not the deposit has been made. The number to call is printed on your periodic account statement.

If you have contracted for any of the services described earlier in the disclosure, you will get a monthly statement for each account if there is an electronic banking transaction to or from that account in that month. If there is no transaction, you will get a statement at least quarterly.

Right to Stop Payment and Procedures – Not Electronically Transmitted to us.

If you have told us in advance to make regular payments out of your account or into your account, you can stop any of these payments. For payments not being made through online Bill Paying through Private Workbench or Online Bill Paying with Quicken®, or by an External Transfer call or write us in time for us to receive your request three (3) or more business days before the payment/transfer is schedule to be made. The phone number and address to which such a request should be directed are printed on your periodic account statement.

Right to Stop Payment and Procedures – Electronically Transmitted to us.

For online Bill Paying through Private Workbench or Mobile Private Workbench Banking Solutions, Online Bill Paying with Quicken® payments, and External Transfers, delete the payment/transfer through Private Workbench or Quicken or call or write us in time for us to receive your request before 5:00 p.m. Eastern Time on the day that the payment is scheduled to be deducted from your account. Contact us at the address or telephone number listed on the last page of the Electronic Banking Services Disclosure and Agreement section of this document. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call.

You must tell us your name and account number, the name of the payee and the amount and date of the payment whenever you request to cancel a payment.

For People Pay through Private Workbench, please refer to the People Pay terms and conditions section of this agreement.

Notice of Varying Amounts

If these regular pre-authorized payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment or when the payment would fall outside certain limits that you set.

Your Liability

You accept all liability that can be legally imposed upon you for each use of the Card at ATMs and POS terminals and each use of the Telephone Banking, online banking services through Private Workbench or Mobile Private Workbench Banking Solutions, or Online Banking with Quicken® services, whether or not authorized by you. You agree to notify us immediately if you believe the Card, your Mobile Device, or any of your Telephone Banking, Private Workbench, Mobile Private Workbench Banking Solutions, Username/User IDs, VRU Access Numbers, passwords or PINs has been lost or stolen, or if you think that any of them has been or may be used by anyone without your authorization. You should call us IMMEDIATELY at the number listed on the last page of the Electronic Banking Services Disclosure and Agreement section of this document. This disclosure contains more information about your liability for electronic banking transactions.

Our Liability for Failure to Stop Payment of Pre-Authorized Transactions

If you order us to stop one of these payments three (3) or more business days before the transaction is scheduled and we do not do so, we will be liable for your losses or damages. The three (3) or more business days' notice period does not apply to Telephone Bill Paying, online Bill Paying through Private Workbench or Mobile Private Workbench Banking Solutions, Online Bill Paying with Quicken® payments, or External Transfers. If you order us to stop one of these payments by 5:00 p.m. Eastern Time of the day on which the payment is scheduled to be deducted from your account and we do not do so, we will be liable for your losses or damages. If you call, we may require you to put your request in writing and deliver it to us within fourteen (14) days after you call.

Our Liability for Failure to Complete Transactions

If we do not complete a transaction to or from your account in time in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- If through no fault of ours, you do not have enough money available in your account to make the transaction.
- If the transaction would go over the credit limit on your overdraft line or line of credit account (if any).
- If circumstances beyond our control (such as fire, flood or a mechanical or electrical failure) prevent the transfer despite reasonable precautions that we have taken.
- If a machine or system was not working properly and you know about the breakdown when the transaction was started or before the transaction was scheduled to occur.
- If the automated teller machine where you are making the transaction does not have enough cash.
- If the money in your account is subject to a funds availability hold, legal process or other encumbrance restricting transfers.

There may be other exceptions not specifically mentioned above.

In Case of Errors or Questions About Your Electronic Transactions

If you think there is an error on your statement or receipt, or if you have a question about your electronic transactions, telephone or write to us at the telephone number or address of the Bank that is printed on your periodic account activity statement.

Call or write us as soon as you can, if you think your statement or receipt is wrong, or if you need more information about a transaction listed on the statement or receipt. We must hear from you no later than 60 days after we sent you the first statement on which the problem or error appeared.

- Tell us your name and account number.
- Describe the error or the transaction you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- Tell us the dollar amount of suspected error.

If you tell us verbally, we may require that you send us your complaint or question in writing within 10 business days.

THE FOLLOWING SECTIONS OF THIS DISCLOSURE APPLY TO CONSUMERS ONLY

Electronic Check Conversion

You may authorize a merchant or other payee to make a one-time electronic payment from your checking account using information from your check to pay for purchases or to pay bills.

Point-of-Purchase (POP)

Your paper check is converted by the retailer to an electronic check transaction at the time of purchase, and the voided check is returned to you at the completion of the sale. The electronic check transaction is transmitted to the bank and debited against your personal account.

Re-Presented Check (RCK)

If your paper check has been returned unpaid to a retailer by the bank due to insufficient or unavailable funds, the retailer may re-present the paper check as an electronic check transaction which will be debited against your checking account.

Electronic Check Conversion by Recipient of a Paper Check

In some cases, the party to whom you mail or otherwise send a paper check, or the party's agent such as a lockbox operator, may convert your paper check into an electronic check transaction that is debited against your checking account. Unlike the POP service described above, this service is not done in your presence and you are not provided with a voided check. Such conversions will be reflected on your account statement, and may cause your check to be debited against your account faster than would a paper check not so converted.

Consumer Liability for Unauthorized Transactions and Advisability of Prompt Reporting

Tell us at once if you believe your Card, Telephone Banking, Private Workbench or Mobile Private Workbench Banking Solutions, Username/User ID(s), VRU Access Number(s), PIN(s), password(s) or other access device has been lost or stolen, or if you believe that any of them is in the possession of an unauthorized person. Telephoning is the best way of keeping your possible losses down.

If you are a cardholder, you have no liability for unauthorized ATM or POS transactions made with your Card. For unauthorized transactions (other than ATM or POS) not made with a Card you could lose all the money in your account (plus your maximum overdraft line of credit, if any, and your maximum lines of credit for your associated line of credit accounts). However if you tell us within 2 business days, you can lose no more than \$50 if someone used your Telephone Banking, Mobile Private Workbench Banking Solutions, Private Workbench or Online Banking with Quicken® service, Username/User ID(s), VRU Access Number(s), PIN(s), password(s) or other access device without your permission. If you do not tell us within two business days after you learn of the loss or theft of your Telephone Banking, Private Workbench Banking Solutions or Private Workbench Username/User ID(s), VRU Access Number(s), PIN(s), password(s) or other access device and we can prove we could have stopped someone from using your Telephone Banking, Mobile Private Workbench Banking Solutions, Private Workbench or Online Banking with Quicken® service, Username/User ID(s), VRU Access Number(s), PIN(s), password(s) or other access device without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transactions that you did not make, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any of the money lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason kept you from telling us, such as a long trip or hospital stay, we will extend the time period.

Unauthorized Point-of-Sale Transactions Made Without a PIN, Using a Lost/Stolen BNY Mellon Check Card Only

If you have told us that your BNY Mellon Check Card has been lost or stolen, and you claim that one or more unauthorized point-of-sale transactions have been made using your BNY Mellon Check Card without a PIN, we will determine whether an error occurred and correct any such error promptly, usually within 5 business days but in any

event within 10 business days (20 business days for point-of-sale transfers to or from an account within 30 days after the first deposit to the account was made) after we hear from you. If we need more time, however, we may take up to 90 days to investigate your complaint or question. If we decide to do this, we will recredit your account promptly, usually within 5 business days but in any event within 10 business days (20 business days for point-of-sale transfers to or from an account within 30 days after the first deposit to the account was made) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not recredit your account.

We will tell you the results within 3 business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

For All Other Errors or Questions About Electronic Transactions

We will determine whether an error occurred within 10 business days after we hear from you (20 business days for transfers to or from an account within 30 days after the first deposit to the account was made) and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or questions (90 days for point-of-sale transactions, transactions initiated outside the United States or transfer to or from an account within 30 days after the first deposit to the account was made). If we decide to do this, we will recredit your account within 10 business days (20 business days for transfers to or from an account within 30 days after the first deposit to the account was made) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not recredit your account.

We will tell you the results within 3 business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.
