

BUSINESS ELECTRONIC BANKING APPLICATION

The undersigned on behalf of the entity named below ("Client"), authorizes and directs BNY Mellon, National Association and any of its affiliates (collectively, "BNY Mellon" "we" "us" and "our") to add the individuals identified in Section I of the Business Electronic Banking Application as entity Administrators ("Administrators") for Business Online Banking and to have full authority on Client's behalf over the accounts identified below ("Accounts") as outlined in this document. As such the Administrators function as the primary contact within your entity for Business Online Banking. Administrators have the ability to conduct transactions on these accounts, view Certificate of Deposits and provide access and transactional capabilities to other sub-users within your organization. Administrators can only grant access to the accounts you specify on this form and cannot grant access to perform transactions that they themselves cannot conduct. Administrators establish access for any sub-users you authorize them to establish and control the types of accounts that your entity's sub-users can access. Administrators also have the ability to establish or limit access to certain transactions and manage the associated dollar limits for those transactions for each sub-user.

Business Online Banking requires a minimum of one Administrator. BNY Mellon provides the option to request dual control if you choose to appoint two Administrators. Dual control ensures that two Administrators are required to enable sub-users and sub-user privileges within Business Online Banking (e.g. one Administrator grants the access and privileges for a new sub-user and a second Administrator approves the access and privileges). Within Business Online Banking, Administrators can also establish dual control requirements for functions performed by sub-users (e.g. an internal transfer greater than \$1,000 will require approval from two users). This Business Electronic Banking Application is specific to Business Online Banking. The authority granted to Administrators pursuant to this agreement only covers Business Online Banking and supersedes any authority granted to Administrators in prior documents or instructions executed by an authorized representative of Client with respect to Business Online Banking.

Completed form should be sent to Wealth Online Support Team (Fax: 732-667-6406, Email: onlinesupport@bnymellon.com)

I. ENTITY ADMINISTRATORS (REQUIRED FOR ONLINE BANKING/BILL PAYING REQUESTS)

Admin Name:		<input type="checkbox"/> New	<input type="checkbox"/> Change Existing Access	<input type="checkbox"/> Delete
Address:

Company ID for updates to existing access (if applicable): _____

II. ELIGIBLE ACCOUNTS

In order to establish one or more Business Online Banking services for the Accounts, you should list the Accounts below that you would like to access and which, if any, money movement options you would like to enable.

By designating these accounts as “eligible” accounts, you are telling us that these are the accounts your Administrator(s) can use for making bill payments, internal transfers, and/or wire transfers. Savings and Money Market Accounts are not eligible for Bill Pay or Check Cards.

Important Note for Certificate of Deposits (CD): On the form below, by granting access to CDs you are authorizing your Administrator(s) to view existing as well as future CDs without additional authorization.

Important Note for Wire Transfer service: In order to utilize Wire Transfers, a Security Code must be provided. The Security Code will be required when entering the transfer details during the Wire Transfer workflow.

Account #	ATM/Check Card	Inquiry	Bill Pay	Internal Transfers	Wire Transfers
Business Accounts					
1.					
2.					
3.					
4.					
5.					
6.					
7.					
8.					
9.					
10.					

If enrolling in Wire Transfers above provide a Security Code between 8 and 25 alphanumeric characters: _____

CMAA					
1.					
2.					
3.

¹ The standard cash withdrawal limits are \$1,010.00 per day although you may specify a lower daily limit. Setting this limit at \$0.00 denotes a "deposit only" card (the Purchase Limit must also be set to \$0.00 for "deposit only" cards).

² The standard purchase limit for either PIN-based or signature-based transactions is \$5,010.00 per day although you may specify a lower limit. Signature-based point-of-sale (POS) limits apply only to Check Cards.

AUTHORIZED SIGNATURES

By its duly authorized officer(s) or owners(s) signing below, the Client agrees to the BNY Mellon, National Association Business Electronic Banking Application and Business Electronic Banking Services Agreement. Indicate Client name(s) below:
